**VETO
07-18-22 V**

The following veto was received from Mayor Yopp.

On July 5, 2022 The Highland Park City Council passed a resolution requesting an investigation into the Law Enforcement action telecast on Channel 7 News regarding 14015 Hamilton. The City Council is hereby on notice that pursuant to the authority vested in the Mayor under Section 6-3 City Charter, I am vetoing that action.

Again, I am required to employ the veto authority conferred upon the Mayor, this veto is required based upon violations of the City Charter and the law. The resolution that you have enacted to request an investigation into the actions that took place on December 24, 2020, at 14015 Hamilton is politically motivated and was walked on without having been reviewed by the legal department.

The resolution is retaliatory as to the parties named, which is undeniable because it includes the name of DPW Director Willie Faison, who, like me, never had a conversation with any of the individuals involved in operating the alleged illegal drug operation or their attorneys.

The police obtained a search warrant, executed it and forwarded warrant requests to the prosecutor's office. Upon submission of the warrant to the prosecutor's office, the prosecutor is in control of the case until a charging decision is made. The warrant request was properly and promptly submitted. City records show the Forfeiture action was processed similarly.

My office took no part in any forfeiture decisions, leaving that to the police, who were being guided by the extensive forfeiture experience of the City Attorney. The appearance of council members in newscasts appears to show less than an unbiased opinion as to City officials named in the resolution. This may be motivated because the City Attorney and the DPW Director followed the Court's order and voted to remove almost all of your names from ballot for the upcoming primary election.

Finally, as part of this I will be forwarding information to each of you for an ethics investigation, a transcribed conversation of what appears to be illegal and or unethical conduct by one or more members of the city council, that information will follow. Pursuant to my authority under Section 6-3 City Charter of the Highland Park City, I am vetoing this action and suspending the operation of this resolution.
