**VETO  
04-04-22 V**

The following veto was received from Mayor Yopp.

On March 21, 2022 The Highland Park City Council passed a resolution regarding amending the previously approved FY 2021-2022 City Budget to remove \$50,00.00 from the Law Department Budget for payment to Bodman PLC for services rendered and to be rendered to the City Council. Because this action violates both State law and the Highland Park City Charter you are hereby on notice that pursuant to the authority vested in the Mayor under Section 6-3, I must and am vetoing this resolution. Any delay in payment is caused by your action.

The resolution is a legal document. The City Council is well aware that as such it should have been, but was not, reviewed by City Attorney, as required by the City Charter, Section 7-5 (6). The document itself is a long and detailed document, which strongly suggests, based upon the brief pre-vote discussions, improper deliberations by members of Council in violation of the Michigan Open Meetings Act MCL 15.2263, which contains both civil and criminal remedies.

The resolution is vetoed because it violates Section 8.8(a) of the City Charter, Operation Appropriations- Expenditures and Transfer which provides that after the budget has been adopted, only upon the recommendation of the Mayor can this action be taken. My recommendation has not been sought or given. Further, my position in this action is consistent with MCL 141.437, the Michigan General Appropriations Act which provides that City Council lacks the unilateral authority to amend a previously adopted budget by making transfers or appropriations not authorized by the Mayor. See Detroit City Council v. Stecher, 430 Mich 74 (1988). Michigan Supreme Court.

Finally, there appears to be an obvious attempt to have the city's Department of Law inadequately funded. This, also, has been found by the court to be improper. An appropriation to fund the law department must meet the city's obligation to fund statutory and municipally mandated duties at a serviceable level. If after a local funding unit has made its appropriations, if found to be insufficient, a court action may be brought to obtain funding sufficient to perform its legal obligations. Wayne Co. Pros. v. Wayne County Bd of Comm'rs 93 Mich App 114 (1979). Pursuant to my authority under Section 6-3 of the Highland Park City, I am vetoing this action and suspending the operation of this resolution.

Moved by Councilmember Bates  
Supported by Councilmember Armstrong

To override the veto. Yeas (5), Nays (0), Absent.
